

FINANCIAL AND COMMERCIAL.

Business generally has been rather quiet during the week. The receipts of grain have improved considerably. The opinion is becoming general that the present prices are about as good as can be realized, considering the prospects for a full crop.

In the money market there is nothing new to mention. The demand for money is fair and the supply about equal to the demand.

In Chicago the market is reported easy, and all first-class paper is readily discounted at ten per cent. A closer feeling in the market is expected when the fall business fairly commences. The shipment of currency to the country to move grain is liberal.

Gold has depreciated a little during the week, the market is dull and quiet, the closing price in New York being 114 1/2 @ 115. Sale of \$1,000,000 of treasury gold was made at 114.67 to 114.78.

Government bonds have been quiet during the week. Prices have been firm and the demand moderate. The offerings being also rather moderate, prices were firm.

The Markets.

The past week has been excited and active in grain circles. On Tuesday the wheat corner was burst and the intense excitement ensued. The failure of the corner was owing to the immense receipts, to the unfaithfulness of interested Canadian parties and to the refusal of the banks to advance money on the deal. The panic suffered was more intense than any heretofore experienced on the Chicago Change, the collapse bringing down in its fall a dozen prominent firms. Prices are unsettled all around, and it is advisable to restrict the shipments of wheat for the present. Wheat declined 43c, corn 4 1/2c, oats 1 1/2c, and rye 2c.

Ottawa Wholesale Market.

As reported by RIAL BROS., Wholesale and Retail Grocers, No. 16 La Salle Street.

Ottawa, Aug. 23, 1872.

The markets for the last week have been steady on corn and oats—except the effect of the wheat decline in Chicago on the corn market. For a few weeks a combination in the Chicago market forced wheat up to \$1.50 @ \$1.60. Last Tuesday it broke, and wheat fell with fearful rapidity to \$1.08 @ 1.10, making a decline of 47c in one day, and of course a panic was caused, which affected more or less the other grain. Apples saleable at from 15c @ 40c per bush. Young chickens good sale at \$2 @ \$2.25 per dozen. No other special change. We quote:

The Celebrated Chili Cure.

DR. WILHOFF'S ANTI-PEPERON—No remedy for Chills and Malarial Fevers has ever before enjoyed so great and so just a reputation as the above.

Its rapid and increasing sale, its growing popularity and unbounded success, afford overwhelming evidence of its efficacy in the treatment of that large class of diseases known as malarial or miasmatic. This medicine acts promptly as an antidote to miasmatic poison, breaking up the periodicity of the chill, bracing the system against future attacks and enlarging the powers of resistance against the enervating influence of unhealthy localities.

No cure—no pay, and equally certain is no take—no cure; therefore take it and "be whole" once more.

THE CELEBRATED ANGIO-BITTERS, twenty years old, are as potent for good to-day as when first made. Unrivalled for purity, delicacy and pleasantness. Safe at all hours, for all ages and for either sex.

**HALL'S VEGETABLE SICILIAN HAIR RENEWER.**  
Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and safe preparation for restoring GRAY OR FADED HAIR to the youthful color, making it soft, lustrous and silken. The scalp, by its use, becomes healthy and vigorous, and the hair grows thick and abundant, and it stimulates and nourishes the hair-follicles. By its use, the hair grows thicker and stronger. In baldness, it restores the hair, except in extreme old age. It is the most economical of all Hair Dressings ever used, as it requires fewer applications and gives the hair a splendid appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says: "The constituents are pure, and carefully selected for excellent quality; and I consider it the best Preparation for its intended purposes." Sold by Druggists and Dealers in Medicines.

PRICE ONE DOLLAR.

Buckingham's Dye.

FOR THE WHISKERS.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

Ayer's Cathartic Pills.

For the relief and cure of all derangements in the stomach, liver and bowels. They are a mild, pleasant, and an excellent purgative. Being purely vegetable, they contain no harmful ingredients, and are perfectly safe in all cases. They are sold by all druggists and dealers in medicines.

all the PILLS with which the market is supplied, and by their use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of the body restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's PILLS, and stimulated into action. Thus, indigestion is changed into health, the value of which can hardly be overestimated. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these PILLS rapidly cure:

For *Indigestion, Flatulency, Languor and Loss of Appetite*, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For *Liver Complaint* and its various symptoms, *Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers*, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For *Dysentery or Diarrhoea*, but one mild dose is generally required.

For *Rheumatism, Gout, Gravel, Prolapsus of the Heart, Pain in the Side, Back and Loin*, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For *Lividity and Dropsical Swellings*, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For *Suppression*, a large dose should be taken, as it produces the desired effect by expelling the morbid matter.

As a *Dinner Pill*, take one or two Pills to promote digestion and relieve the stomach.
